STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 06/12/2023 while exercising my duties as a law enforcement officer in the _____ District of WY

Pursuant to 16USC 551: On 6-12-23 I interviewed and issued Mr. Frank H. Chapman a citation for violating the terms and conditions of his special use permit for outfitting on the Bridger Teton National Forest. It had come to my attention through another Forest Employee that a company called Globetrotters had a commercial video filmed in the Teton Wilderness advertising horse back rides. Based on points of interest in the video it was determined the filming took place in the wilderness with the use of a drone. I contacted Mr. Chapman on June 9th and asked him about the advertisement which was posted on Globetrotters web site. Mr. Chapman told me he sub leased user days to Globetrotter and was unaware of the filming activity. I asked if he had tried to obtain a filming permit for this commercial film and he said no. I explained how his outfitting permit required him to apply and obtain commercial filming permits prior to conducting filming for himself or other subcontractors covered by his outfitting permit. Mr. Chapman told me he was aware of the filming permit rules and he would look into it and get back to me. On June 12th. Mr. Chapman called me back and said he could meet up with me to discuss the situation. Through our conversation Mr. Chapman admitted no commercial filming permit was obtained and in fact he was upset at Globetrotter for making the film. I explained the subcontractor falls under his responsibility as he was the person who signed the Special Use Authorization for his outfitting permit.

Mr Chapman was cited for violation terms and conditions of his permit, for not obtaining a filming permit when one is required. 36 CFR 261.10(l)
